SUPERINTENDENT'S MESSAGE

Another year has come and gone, and once again we look back and survey our year's work. Our greatest hope is that we have accomplished much and lasting good for all.

We would like to thank the student body, faculty and friends for their sincere and loyal support during the past school year. We also ask your help and trust in the future.

Yours sincerely,

IN MEMORIAM

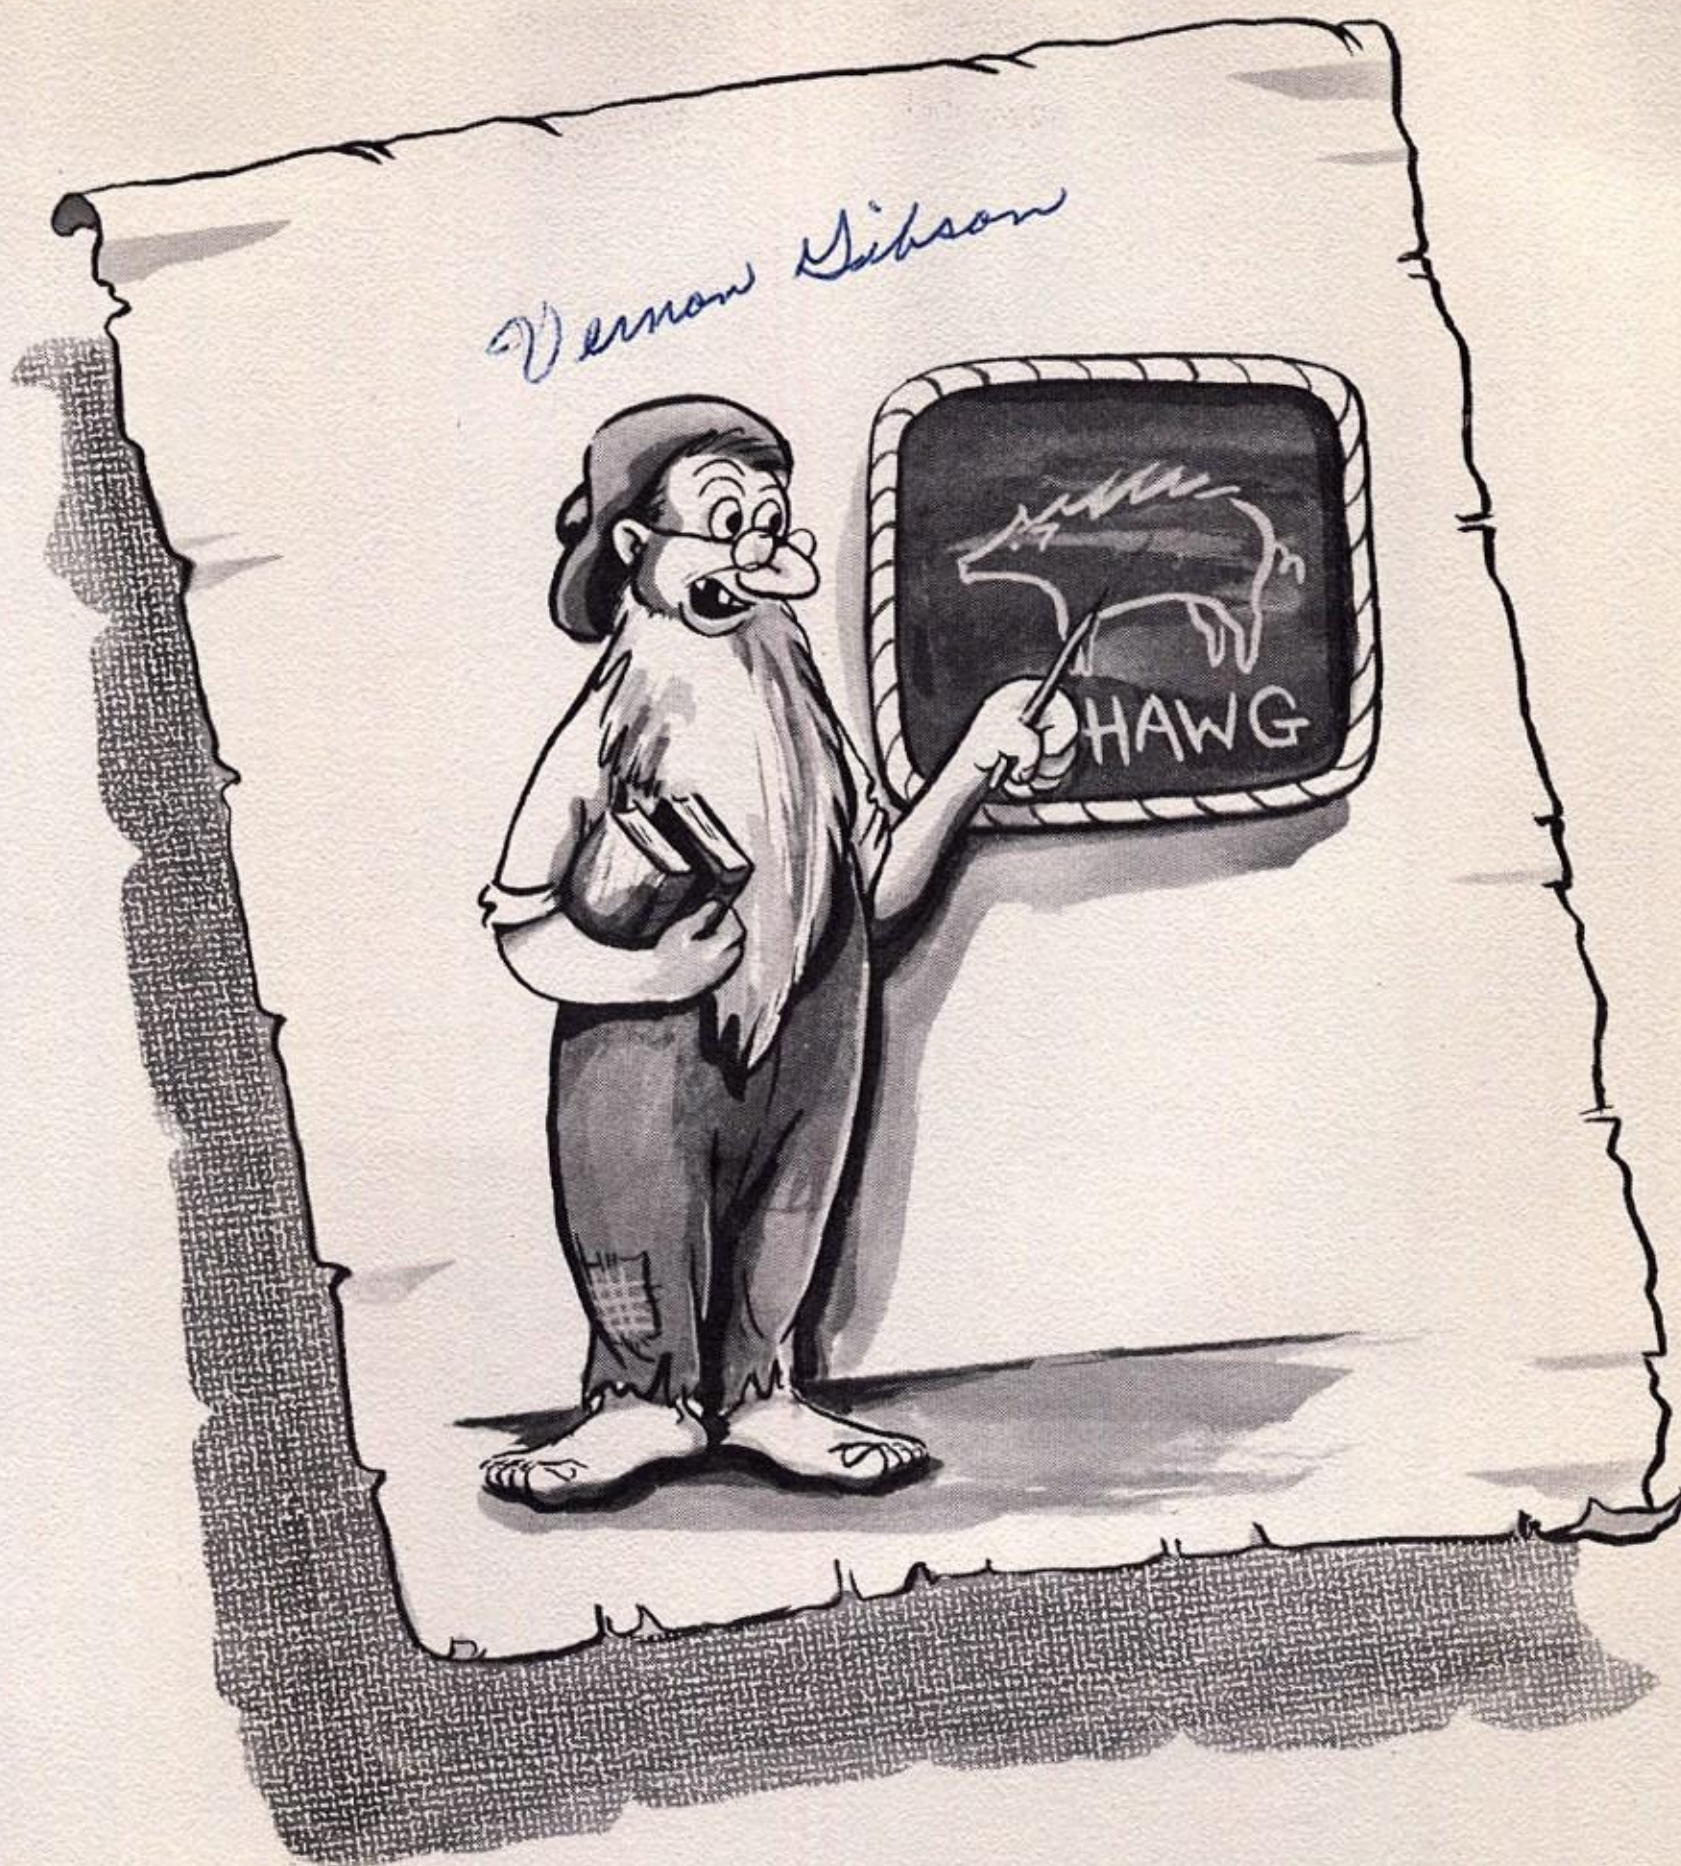

Mrs. Icy V. Bond, for thirteen years teacher of the first grade in Tatum School, was killed with her daughter, Dorinda Bond, in a collision near Canyon, Texas, March 25.

Many friends and students mourn her death for she was a familiar and beloved figure to all the school and community. Her life was an inspiration to everyone who knew her and her unselfish service as a teacher was far above the call of duty. To her students she was a wise counselor, a loving guide. To her friends she was an unfaltering tower of strength and kindness.

Time will dim the sharp sense of loss and grief that we feel now, but it can never erase the memory of her cheerful, smiling face.

To her life of service, love, and loyalty, these words are dedicated.
